Alex Kidd in the Enchanted Castle™

The whole Kidd family is upset! Alex’s father, King Thor, is missing!

At home on planet Ares, Alex hears a rumor that King Thor has been kidnapped by Astron, the mean ruler of planet Paperock. Alex speeds to Paperock and starts searching for his dad.

But he runs right into trouble. All the creatures on Paperock decide to keep Alex away from Sky Castle. Astron’s hideaway. They block his path and chase him when he tries to get away. So Alex gets tough! He knows how to jump, punch, and kick. And he finds out how much fun it is when the creatures explode!
Alex uses his power wallop on anything that gets in his way. And then he grabs the gold and treasures that magically appear.

But a big surprise is waiting for this Kidd. Alex finds himself dragged into a game of Janken with the Paperock bullies. In this game, he's got to make a hand signal for paper, scissors, or rock at the same time as his opponent. If Alex's sign beats the bully's sign, Alex wins. If not, Alex gets bonked out and loses some of his gold. How embarrassing!

Will Alex make it to the Enchanted Castle and find his dad? Or will the smart-assick Paperockers get a good laugh? It's up to you!
